Here is my race video from this weekend.

Saturday 944-spec race. Started P2, finished P2. Best Lap 1:08.082

Sunday 944-spec race. Started at the back, Moved up to 5th, Tried pass for 4th. Spun and could never catch up finished 6th. Best time 1:08.2xx. So despite runnig my best lap ever at Firebird East in morning warm up 1:07.752 it was tough closing on the cars in class. Class is getting tough.
