

Thunderhill Roll Call

Who's sweating it out in August? I'm working hard to be there - camping in the trailer this time sans family.

Sounds good! Hope to kick your a##, I mean hope to see you there. I've been too busy to even touch my car and I know the alignment and corner weights are off, I can physically see the car leaning to one side. Should make for an interesting race.

Is it true that the Big Dog is coming? I also heard a rumor that Tom Attebury is making the trip to the great white North! Sounds like fresh meat!!!

Tom confirmed he is coming up - I also heard Big Dog is coming but haven't had confirmation. Tom's got all his car and stuff with 7's Only out of Buttonwillow and they are transporting and supporting him.

PS - Changed out the swaybars finally. Maybe my Understeer will be dialed out. I see some midnight mechanicing may need to be done on Steve and You

Looks like I might be out. Took the new trailer for its first trip around the block fully loaded and the hubs on the left side are on fire! It's either the hubs are too tight or out of grease or the brakes are dragging. Either way I don't have a jack strong enough to lift it. I'm going to try to take it to a shop that does big rigs

in the morning to see if they will look at it, if not I don't think I can make the 25 miles to the trailer shop.
