

944 Paddock at Nats?

Posted by dpRacing Dan - 23 Oct 2014 12:51

Hey guys, wasnt sure if everyone was planning on pitting together as a group. If so can you please save space for me? What time/day is everyone rolling?

I'll be arriving Thursday, not sure exactly what time.

Usually the area in front of the garages is split between garage people on the garage side and others on the opposite side. There is plenty of room for that in that area. I'm not sure why that whole area is reserved. I'll send a message to Scott Smith and Jerry as well.

Scott replied - just an oversight where a draft got published too soon. Looks like SM was excluded as well. They are fixing it and will have a new map up shortly.

Looks like the new map is up. We have been assigned 2 rows, along with SM, PT and legends.

If anyone knows the leaders of those groups, maybe we can work it out in advance to get our spots all together. If not, we'll just have to fight for it like usual
