Thursday night Tacos at Nationals

———————————————————

Hey guys and gals, my good fortune fishing this week has left me with about 20 lbs of Mahi Mahi.

I would like to sponsor a Fish Taco dinner for the 944 crowd and their friends and familys. We will also have either Pollo Asado and or Carne Asada for those who dont eat fish.

The current plan is to do this Thursday night around 5 pm before the mandatory 6:30 pm drivers meeting.

If I can get a head count and meat preference that will give me an idea of what to buy.

I could use some help with cooking and prep so if you have a spare BBQ or spare time please let me know.

We can do this a different night if we as a group think Thursday is not the best time.

Be sure to let me know your thoughts and if you can attend.

Hi Jason, currently we only have 9 confirmed.

Not sure if everyone has seen this or maybe some are not going to be there Thursday evening.

If you can bring the guac that would be great.

My wife and I will provide all the other stuff.

If anyone else is planning on being there please chime in so we can bring the right amount of food.

appreciate the offer Charlie. Traveling by plane so difficult to bring any food through security. Let me know what is needed at the last minute and I will run to store and purchase

No need to bring anything Tom except what you want to drink.

Are you testing on Thursday?
