7 March: Concours d'LeMons Crapfest & Track Tour (San Francisco CA)

Infineon Raceway, Sonoma CA

"Overlooking the lovely, peaceful cluster-F of LeMons' Infineon race."

The Box Wine Country Concours d'LeMons Classic

Come hang out with yer crap car racing brethren at the beautiful Infineon (ney, Sears Point) Raceway. Entry into the Concours gets you all the normal LeMons goodness, plus likely the only opportunity you'll ever get to drive your heap on a real race track. We'll form up early on Sunday morning while the LeMons racers are still sleeping off hangovers and making dodgy repairs and do a couple of laps around the track. After the tow rig has clear up any laggards, we will set up the cars on the terraces between Turn 1 and Turn 2. The best seat in the house of the ensuing mayhem of the race. We'll have awards in many categories, made and presented by the race teams. Bribes are encouraged.

Registration details and sign ups will be posted in a couple of days.
