Gang:

Don't forget to sign up for racing in Fontana. We usually have a good turnout for Autoclub Speedway. I'm hoping we can do that again this time.

Add this rookie to the grid. Got my provisional license and anxious to start my first ever wheel to wheel race. Here's a couple of laps from CFOS 2015. Looking forward to seeing everyone out there.

Looking forward to seeing you up there Jerry.

Everyone, reread the supplemental rule specific to Turn 3 at Autoclub Speedway. NASA has made it clear they expect compliance -- i.e., no nonsense.

See you soon,

Everett

You can find it here: socal.drivenasa.com/SoCalSuppsv3.pdf

There should be a link to it in the email everyone who is registered receives from NASA.
