So far I see Tom, Tony, Jim and I signed up. Who else is going?

The link below has what we shot.

I didn't sort these or delete dups so I could get them up quickly. These are what Debby and I shot. JP shot some and Ken Huey's friend shot some. So, there should be a good selection when they get theirs up. I think Ken's friend got some first turn ones that should be good.

If the resolution isn't good enough, let me know which ones you want and I can email them directly at full res. Some are a little soft, so Photoshop may be needed!
