Me and Susan had a great time with you all. If you haven't driven Buttonwillow Raceway, you should, it's a blast. Thanks go out to Charlie, Jim F, Tyler, Tim, Tom, Jim R and Steve who all really know the track and spent time showing me around. Special thanks to Jim F and Katie for the nice hospitality and Charlie for the fresh Sushi just caught by him!!!

Congrats to Charlie for your 2010 SoCal championship, your Saturday win and Sunday new track record for BW and a near perfect 2010 season of racing with 944 spec, you will be missed!!!

Norm, I'm not sure how I missed this post but somehow I did.

Thanks for coming out and racing with us. It was a great time.

We had the NASA So-Cal banquet last night at the Queen Mary in Long Beach, a good time was had by all.

Jim Foxx and Katie, Steve Agoston and Annalise, Greg and Tyler Palmer, Tom Attaberry and Lori and my self were present.

See you soon I hope.
