Charlie, the one I have listed on this site has a fresh motor and clutch assy and related parts. It is a 88 engine with the higher compression pistons which is rare.

Charlie,

I have an excellent Spec 944 for sale looking to move it as I getting out of racing and just put a ton of cash \$\$ into it and heart is not in to it anymore and moving on to my other "Mantown Garage" projects.

Take a look here on craigslist for the ad or soon on this site, someone is getting everything they need to go Spec 944 racing with tons of spares and parts.

phoenix.craigslist.org/cph/cto/5163659221.html

All documentation pictures recent cash poured into "Fresh Motor" can be found on my google page.

Charlie,

I'm pondering the idea of selling my 76 car. It has 3 national titles and tons of track records.

Hi Eric,

Did you ever sell your 944? I'm looking to buy one.

Thanks,

Bruce
