

California 944Spec for sale \$6,000 firm

Posted by cbuzzetti - 05 Jan 2016 10:11

I am selling this for a local friend in Central California San Luis Obispo area.

He bought it recently with the intent to do track days, he is a V8 guy and has changed directions. He is selling for what he paid for it.

1984 Spec. 944 / GTS1 Porsche Set up for NASA or POC, PCA

Great car, fully serviced, always professionally maintained by Premium Ca. Race Shop

Only the best and all the right stuff.

Quaife Diff. LSD

Short 5th gear

Coil over's + Hypercoil springs

Tarett Engineering front adjustable sway bar

Weltmeister rear adjustable sway bar

Adjust. Racers Edge camber plates

Weltmeister Camber Truss Brace

Manual Steering Rack

7's Only cage -One of nicest avail. -Beautiful welding, huge base plates with 2 additional forward bulkhead bars and Nascar driver's intrusion side protection. Super stiff chassis- jacking front even 1 inch also has back wheel off the same!

FIA roll cage padding

Cold air intake

Fully gutted interior + doors

Red Delrin bushedP all suspension, A-Arms, sway bars etc.

Steel control arms front and rear.

Sparco seat

5 pt. Sparco harness - out of date -(need new for competition)

944-SPEC - 944SPEC - low cost wheel to wheel racing

Generated: 20 February, 2026, 17:44

Driver side window net

Quick release wheel

Front and rear alloy legal tow hooks

Hot Wired and powered for radio and cool suit

Dual (driver) switched electrical fans

Wink race mirror

Renn Line pedal pads + alloy dead man

Alloy rad

Headers

Greetings,

I am the seller, Charlie was kind enough to post my car here for me.

Thank you everyone for the nice calls.

Car has been spoken for and will head out to North Carolina
next Week.

I appreciate the support and opportunity to sell the
944 thru you folks.

Thanks Again,

Bill
