

1989 944

Posted by petersjm00 - 24 Jul 2016 07:42

I have a 1989 944 base model in excellent mechanical condition I would like to sell. The car has a new odometer with brass gears. The timing belt has recently been replaced. I would like to sell to someone interested in racing and maintaining the car. A mechanical record is available.
