

1987 Porsche 944S Red/Tan with factory LSD 136K

Posted by Litespeeds - 22 Aug 2009 14:44

I just recently picked up a 1991 Porsche 944S2 so now I need to sell my completely stock 1987 Porsche 944S with only 136,5xx miles. Clutch and timing belts were changed around 133K miles. Comes with factory Limited Slip Differential and cruise control. Overall an 8.5 out of 10 condition. Located in NorCal. First \$5K takes it otherwise I will consider selling it for less if I remove the LSD and replace it with an open diff. Please e-mail me for pictures at
