

Autopower Bolt-In Roll Cage

Posted by ikazuchi - 15 Aug 2012 18:27

6 mounting points and door beams. Black paint.

Includes all the hardware to put it together.

\$500

Local pickup only - Escondido, CA (North San Diego County)

I purchased it used, but never ended up putting it in my car.

Email me - mriesenberg [at] gmail dot com.

Let me know if you have any questions. I can provide photos if requested (just need to pull everything out of the shed).

Thanks- Marc
