

Porsche 944 parts

Posted by SRPerry1 - 15 Jun 2013 20:13

Early Porsche 944 parts, I have Engines, Transmissions, Suspension and Brake parts, Torque tube, Front end Body parts and two Cookie Cutter wheels. Parts are located in Southern California. The house is in Escrow so I need to Sell everything. Also have a 944 Spec car for sale see ad in cars for sale. Thanks

Any rear 66mm long studs; rear axle bearing cover/caliper mounting plate; 21mm spacers?

Thanks

Sled
