

944 Custom 6-Point Roll Cage For Sale, (Sold)

Posted by camberangle - 27 Mar 2020 07:04

For sale is a 6-point McMahon Autosport (rollcageguy.com) roll cage, custom built for a 944. The car sustained a front end collision, but the roll cage is in good condition and would provide a great starting point for adapting into a new chassis. The cage cannot be shipped, and is located in Jupiter, Florida. Possible delivery within Florida can be negotiated.
