Don't have to ask me twice! I am pretty sure Tyler Palmer The "2011 Champ" will be there. Too bad more regions can't get there because there is no home track advantage this time.

Host Hotel's in Blythe, Ca for this event. Bythe is supposed to be 55 miles east of Chuckwalla on the Az/Cal border.

I plan on camping in my trailer at the track.

I've set up discounted rates for two hotels in Blythe for the weekend of February 2-5. There are several other hotels there but these two I just happened to call. When calling to make the reservation please ask for the NASA AZ rate. Ive also heard there are two other events going on the same weekend in the area so don't delay too much.

Capitol Suites

545 e. Hobsonway

Blythe, CA 92225

760-922-9209

single bed room \$54.99/nt +tax

double bed room \$64.99/nt +tax

This hotel gets mixed reviews but it is inexpensive. I am working on getting them to serve the continental breakfast early and will update when I get more info.

Quality Inn Blythe

600 W. Donlon St.

Blythe, CA 92225

760-921-2300

room rate \$84.99/nt +tax

This hotel gets very positive reviews. I have also confirmed that they will start continental breakfast service at 4am.

The information has just been sent to Quality Inn so it may take an hour or two for us to show up in the system.

Any questions please let me know. adina evanson at gmail dot com

Hey Guys,

I signed up and had to cancel. I still do not have the car running from the wreck at Infineon. Sorry I have to miss the fun. I was looking forward to seeing everyone.

Hey Jim, we decided to come out because you were going, so you have 24 hours to fix it! My spindle broke two weeks ago doing about 80mph, so hop hop, the show must go on!!!

But if you can't, we will miss you, Susan and I were looking forward to seeing you again.

Dave is having problems too, but we still have at least the magic 5 for the big bucks!
