- Description

Authentic Nike Air Flightposite KG Lunar/Black Men Shoes Raising the performance of basketball shoes to the next level, more of a light, supportive, durable, and breathable basketball shoe. " Lock me down so I can fly. Protect me from myself. Make me light, " says LeBron James when requesting what Nike designers should do. This shoe features a combination of Hyperfuse construction and Flywire technology, even reinforced Kevlar for exceptional lockdown, durability, and support. By combining the Max Air and Nike Zoom, explosive takeoffs and soft landings are nothing. This low-cut shoe is built to maximize acceleration and change of direction when the pace of the game picks up. For a complete look at all the styles Nike has to offer, check out the Nike shoes page. Product DetailsNike Air Flightposite Men Basketball Shoes KG Lunar/Black-The Nike Air Flightposite was one of the first shoes ever to feature Foamposite technology. They are seemless, and created from a molded liquid, as opposed to being baked in an oven like other shoes. It was created to look like an "organic extension" of the foot, and features curves throughout. The shoe was futuristic looking upon its original release, and even now has a futuristic look. Come here and choose your fittest. Hoping you have a nice shopping time.
