Perfect to turn into a track car!

1987 Porsche 944 Turbo. Needs some TLC. Car is unregistered and does not pass CA smog. I don't have the money to fix it, so I'm selling it. Engine rebuilt by Gary Betz. Over \$10K invested.

Car is located at Gary Betz Enterprises in Ventura, CA. Gary may be reached at show contact info to answer questions about mechanical condition.

Interior and paint is in rough condition. Wheels are upgraded 17" Boxster wheels.

\$4500 or best offer.
