1986 944 project car for sale Posted by str88 - 14 Dec 2016 17:57

i have a 1986 944 for sale i have been gutting the interior and rewiring the car, just installed a new head gasket on the car as well but i got hurt recently which is requiring surgery. The car is about 70% done. id rather build it myself but would like to see if anyone is interested in the car as it is so you can do your own set up.. I am located in oakley, CA
