944-SPEC - 944SPEC - low cost wheel to wheel racing Generated: 20 December, 2025, 00:12 Cam Tower Posted by karbuf - 21 Jan 2013 04:55 Found answer to question... need to know how to delete discussion after posting .. \_\_\_\_\_\_ Re: Cam Tower Posted by karbuf - 08 Feb 2013 17:27 Well.. the tower had to be sacrificed to get that bolt out.. Good news is that the head has been safely removed.. Now I need that tower.. How much would you want for that tower tcomeau? Next question.. Do all 2.5L na cams have the same grind profile? Can I use my current cam in a different tower? Thanks! tim..... \_\_\_\_\_\_
