

3-Piece Cross Member

Posted by GallitoRojo329 - 27 Oct 2016 04:08

Is the 3-Piece Cross Member from Lindsey Racing Legal in 944 SPEC?

It really makes the bottom end maintenance a lot easier.

In case you havent gotten the word, 3 piece crossmembers are now legal so long as they were made by Lindsey Racing. Only their part number is legal as delivered from Lindsey. No other modifications allowed.
