Events in	the Southeast?	
Posted by Lucid	Moments - 19 Jul 2016 17:2	7

I finally have my car pretty much ready to DE at least, and really only need window nets and some stickers to race it. Now I am looking for events. I know about the Just Track It and NASA Mid-South events both on the last weekend of July but much to my frustration I have other obligations that weekend. I also see the PCA event at RA 08/13-08/14. I have never run with them before but am thinking about it.

Does anyone know	or arry ourier	events no	it too iai i	away ii Oiii ii ii	Aliania	αιθα παρμ	Jennig s	0011:
