Thought I would start a thread for our season opener next week end. I plan on arriving at the track Friday morning to get my annual and participate in the T&T. Phil H. plans on doing the same. Kilyn and Phil F.

are out. Anyone else going or have plans to? Is our fearless class leader even still racing with us?

| It seems so early | | | |
| I wish it wasn't so far away, or else I'd come watch. | | | |
